

April 8, 1970

Mr. Wm. L. Leppert, President  
The Herman C. Wolff Company, Inc.  
708 Illinois Building  
Indianapolis, Indiana 46204

Dear Bill:

We wish to inform you that all manufacturing has ceased at our Renton, Washington Plant. This plant is still in operation as a distribution point for the Creosote Oil which remains in stock. We expect that even these operations may cease prior to the end of this year.

Very truly yours,

REILLY TAR & CHEMICAL CORPORATION

R. J. Boyle  
Secretary
